# WHO WE ARE

---

---

We are an all-volunteer non-profit organization dedicated to educating and empowering cancer survivors and their families to live healthier, happier lives. Staying Alive is Good...Feeling Alive is Better!

## What We Do: Free Support Programs for Cancer Survivors in our Local Community

These last few years have been extremely challenging, especially for cancer patients in active treatment dealing with fear and isolation. The need has never been greater, with physicians referring record numbers of newly diagnosed cancer patients to our program. Even throughout the pandemic, TCC found safe and creative ways to keep our doors open, encouraging our members to stay active and socially engaged. To keep up with the demand, we have continued to expand all of our program offerings: Mindful Meandering, hiking, organic gardening, book groups, fitness classes and social celebrations.

## Our Event: TCC Holiday High Tea Sunday, December 10, 2023

This holiday event is the perfect opportunity for our community to gather together to share High Tea and holiday cheer at the beautiful Loews Ventana Canyon Resort. Our event sells out every year, providing a fun afternoon for our attendees while supporting cancer survivors and getting the word out about our free programs to the cancer care community. All proceeds from the event go to support our TCC Healthy Survivorship Programs: exercise, nutrition, education, and peer support.

## How We Can Help You Help Us: Supporting your Business While Making a Local Impact

**Donate an item or experience to our Raffle and Silent Auction.** Your business logo and information will be prominently displayed with your auction item, acknowledging your kind donation in front of hundreds of people who love to shop.

**Become a Sponsor.** As a valued sponsor, you and your guests will enjoy VIP seating for High Tea, special gifts for your guests, and early access to the auction. Donors are acknowledged in our event program, monthly newsletter, and social media. \*See List of Sponsorship Levels for specific benefits and cost.

Partnering with TCC is a great marketing and communication opportunity for your company to demonstrate your community support, and a cost-effective way to expand your advertising outreach.

Everyone knows someone whose life has been impacted by a cancer diagnosis. We are excited to invite you to join us in our efforts, making a difference in the lives of those dealing with the challenges of a cancer diagnosis.

*TCC is here to help every cancer patient and survivor through every step of their journey. Together we can conquer!*

Thank you so much for your consideration,

**Liz Almli, MD**
